5TH ANNUAL HUMANITARIAN MAPATHON WITH USC AND UCLA

2022

"REGISTER AT MAPATHON.LA"

Kick Off: Wednesday, April 20, 2022 @ 10:00 AM PT
Through Thursday, April 21, 2022

Do you want to become a humanitarian?

Join us in person or virtually for the **5th annual humanitarian mapathon** with USC and UCLA to contribute to the OpenStreetMap platform in support of humanitarian projects focused on the environment and sustainability!

The previous mapathon was one of the world's largest single-day events with 150 mappers collectively mapping 17,126 buildings. Help us break our record by mapping more than 20,000 buildings this year.

See the **mapathon schedule.** No GIS skills are required! We will quickly train you to use OpenStreetMap (OSM) to assist in humanitarian projects around the world.

Donuts and cofee will be served!

USC Libraries · USC Dornsife Spatial Sciences Institute · UCLA Library · UCLA Advanced Research Computing · Metro · #maptime! LOS ANGELES
